

## Connector

Part no. 75016

- screw terminals

•

.

- with cable gland
- seawater resistant products are available on request

## **Technical specifications**

Ampere	400 A
Poles	4 p
Voltage	400 V
Clock position	6 h
Hertz	50-60 Hz
Connection technology	Screw terminals
Contact	standard
Protection type	IP 67
Weight	9832 g
Declaration of Conformity	EAC
